Generated Jul 1, 2026. Active sources: engagement, github, github actions, github activity, github governance, github security, github traffic, openalex, readthedocs, zenodo.
Limitations: Community standards check requires GH_PAT_MOLE GoatCounter configuration and API access are required. GoatCounter API request failed with HTTP 404: provider error
First-response and review metrics require collected issue comments and PR reviews. When review data is absent, review timing is reported as unavailable.
